Re: HIRB No. 2010002 / **Collection of Language Data for Computational Linguistics Models
with Amazon's Mechanical Turk**

This research qualifies as exempt from IRB review, in accordance with Federal regulation 45CFR46.101(b) for the protection of human research subjects, exempt category No. 2.

No further communications with the IRB are necessary **unless the procedures in your project are changed in such a manner as to void the basis of the exemption**, in which case IRB-approval must be obtained prior to implementation of the change.

Please keep a copy of this letter for future reference. Thank you for contacting the Homewood IRB about this research and for providing the requested information to make this determination. Your cooperation is greatly appreciated.

If you have any questions, please do not hesitate to contact the HIRB at (410) 516-6580 or HIRB@jhu.edu.
